EZ Office Products to Contribute to Second Harvest Food Bank During Community Initiative in December

Madison, WI – December 3, 2018 – In support of [Second Harvest Food Bank of Southern Wisconsin](#), [EZ Office Products](#) is donating three meals for each order placed with the company in December.

According to Second Harvest, approximately 1 in 10 people in the community don't know where or how they will obtain their next meal. Since 1986, the organization has provided more than 100 million meals to people who face hunger. Despite the vast quantity of meals donated, there is still not enough to meet the need.

EZ Office Products President Rose Molz is looking to help close the gap between availability and need before the end of 2018.

Molz explains that Second Harvest has a special place in her heart, especially when it comes to helping hungry children in the community. "An important part of Second Harvest's mission is to provide food to children. For me, this is important as I look to support charitable causes that directly help our next generation. This December, I am excited that EZ Office Products - as well as our customers - will have a hand in providing support to such a fantastic organization!"
